EXPERIENCE

Blurred Ego Company | DHA Phase 5, Lahore

Sep –Dec 2024

As a front-end developer at Blurred Edo during my internship, I focused on:

- Front-End Technologies.
- Responsive Web Design
- Well Commented Code

Participating in an internship, I delved into diverse projects, mastering remote collaboration, problem-solving, and adapting to dynamic work environments, fostering invaluable skills for future endeavors.

Avicenna Hospital |Bedian Road, Lahore

Jul 2022 – Sep 2024

As a receptionist at a dental Department, I managed patient appointments, maintained accurate records, and ensured smooth front-desk operations. I provided excellent patient support, handled administrative tasks, and communicated effectively with both patients and dental staff to enhance their experience.

Projects Experience

E-Commerce Site:

I created a stylish online shopping website using rect.js and Tailwind CSS for a great look. Product details are sourced from Sanity.io, and I used JavaScript to ensure everything runs smoothly. I also added extra features to make the website user-friendly and visually appealing.
